

## Charitable Giving Makes a Difference

Every day, more than 11,000 Scouts in Orange County make their families and communities proud by living the Scout Oath and Law. They are good students. They give freely of their time to help their neighbors. They display integrity and character. They are kind. They are courageous. They lead and teach others how to lead.

Will you *Do Your Best* by making sure the Scouting program remains the best opportunity for our kids?

When you invest in the Orange County Council's Friends of Scouting Campaign, you can expect a return on your investment right here in your community.

Thank you for your commitment to our youth.

## Your Charitable Gift Provides...

- All youth have the opportunity to be a Scout, no matter their economic circumstance.

- Materials and program development for the exciting, once-in-a-lifetime experiences that can only be found in Scouting.

## Scouting Makes a Difference in...

### Your Community

Scouts, and their leaders, across Orange County provide more than 190,000 hours of service to their communities each year.

More than 600 Eagle Scout Projects are planned and carried out each year. These projects benefit the community and play an important role in leadership development for those involved.

### Tomorrow's Leaders

Scouting provides a safe program where youth develop *Grit* - the ability to work hard, endure struggle, fail and then try again. Scouting exposes youth to a wide range of information and experiences through the advancement program and challenging/fun activities.
