

Boy Scouts: Day of Service 2022 | Guidelines for Contacting Partners

Second Harvest Food Bank appreciated the ongoing support of the Boy Scouts. Unfortunately, we cannot accept any traditional food drive donations due to safety requirements surrounding COVID-19. Please see below for a list of our Partner Network food pantries that will gladly accept your donations. Like Second Harvest, they are very busy trying to meet the increased demand for food, so please have a troop and troop leads utilize the following guidelines to reduce the number of calls to these locations.
